

We hope that you are doing well as the COVID-19 outbreak continues to affect businesses and communities throughout the country.

With Governor J.B. Pritzker's recent order placing the entire state of Illinois into Tier 3 Mitigation, the Odeum Expo Center will be required to go into "pause" mode beginning Friday, November 20th. At this time, we know it will be at least a 14 day pause while the state monitors the positivity rate and hospital bed availability.

We will closely follow the Governor's mandates as to when we will be allowed to safely reopen, and will update you as information becomes available to us.

We look forward to welcoming you back with our same dedication to your comfort and safety by continuing to exceed expectations with our cleaning and sanitation program...along with your help by wearing masks, washing hands frequently, and distancing yourselves and limiting group size while in the Odeum Expo Center.

Thank you for being a part of our family! Stay safe and healthy until we see you again!
